

## GEurasia in the International Conference "China: a European Perspective"

Date : diciembre 17, 2017

Rubén Ruiz Ramas, Codirector of GEurasia, took part in the First International Conference "China: a European Perspective", at the Sun Yat-sen University, Zhuhai, (China, 7-9 December 2017). This was the first international conference of the recently established Centre for European Studies at the Sun Yat-sen University, the function of which was to mirror the perception of China within the European sphere both inside and outside the European Union.
